

SOLARA

CHARDONNAY & PINOT NOIR 2023

VEGAN

We're about doing life your way
- the bright side - from a
vineyard that's regenerating the
earth around it, meaning you can
do more for the world whilst
celebrating all the positives in it.
Fizz isn't just what we make.
It's a way of life.

APPEARANCE

Pale straw with green hues.

BOUQUET

A bright, vibrant sparkling wine exhibiting a bouquet of lifted lemon citrus and grapefruit on the nose.

PALATE

Abundant citrus and stone fruits with hints of buttery brioche and lemon meringue highlight a complex, textural, and flavoursome palate. A delicate refreshing wine with a fine mousse and well-balanced acid.

VINTAGE CONDITIONS

Sunraysia regions have a climate well suited for growing vines, with warm summer days and plenty of sunshine allows ripe fruit flavours and sugars to develop. In 2023 we had mild days, cool nights, and solid rain fall. This led to average ripening conditions resulting in bright ripe fruit.
